Ashnikko

I'm shy  
Wet! Wet! Wet! Wet! Wet! Wet! Wet!  
Hahahaha, ah, oh my God

Stupid boy think that I need him, hmpf  
I go cold like changing seasons  
I go red hot like a demon  
I go ghost for no damn reason  
Stupid boy think that I need him  
Stupid boy think that I need him

Pleasin' season, I'm spicy  
Hard to touch, too much too pricey  
Heathen, I'm in your psyche  
You don't know no one else like me, woah  
Stupid boy think that I need him  
Stupid boy think that I need him  
I know you think about me in the shower  
PornHub in your browser  
Fantasize about the pussy power  
Think about me with your hand down your trousers  
I'm sweet then I'm sour, I'm big boss Bowser  
I know you salivating over me, sir  
Nipples through the t-shirt  
Told your mommy that you're bringing home a keeper  
Knees are getting weaker when he hear me through the speaker  
Big wood, cut him off, cedar

Stupid boy think that I need him, hmpf  
Stupid boy think that I need him, hmpf  
I go red hot like a demon  
I go ghost for no damn reason  
Stupid boy think that I need him  
Stupid boy think that I need him, hmpf (Stupid, stupid)  
Stupid boy think that I need him, hmpf (Stupid, stupid)  
stupid boy think that I need him, hmpf
