

Tantrum

Ashnikko

Riots on the TV, freeway dirt bike, popping wheelies
They wanna keep it PG, all their daughters wanna be me (Ah)
I'm Georgia peachy, believe me, head out the window, it's breezy
They up my ass like bikinis, I'm not nice, I'm a meanie

Ooh, sorry mom and dad
I did something bad
Please don't get attached, there's no coming back
(Break that motherf-)

Break a heart like an eggshell, cardiac arrest, a heart attack
(Yeah)
Throw a tantrum, baby, doll me up 'cause I'm a brat
I'm a handful, demidevil, pyromaniac
Bitch, I am one, throw a tantrum

Bitch, I am one
Throw a tantrum

Beauty pageant, make it tragic, blood dripping out my nose (Ew)
Leather jackets, bad habits, and we're revvin' to the vogue (Ah)
)
Dark magic, cheer captain, cheer my team like, "Go, team, go!"
(My team)
T-E-A-M-P-S-Y-C-H-O (Team Psycho)

Ooh, sorry mom and dad
I did something bad
Please don't get attached, there's no coming back
(Break that motherf-)

Break a heart like an eggshell, cardiac arrest, a heart attack
(Yeah)
Throw a tantrum, baby, doll me up 'cause I'm a brat
I'm a handful, demidevil, pyromaniac

Throw a tantrum (Aww)
