

# Wet Like

Ashnikko

Hi, Ash (Hi)  
Are you wet like me?

KiKi boots and I'm five-foot-seven  
I'm a giant in the club, fee-fi-fo-fum like  
High fem dom looking for a sub  
I'm a showgirl, take it all off in the floodlights  
Quick fix, I'm sick, pathetic  
Crying over shit that I can't change  
Kickflip, tongue tricks, paradigm shift  
New bitch and I'm back with a vengeance  
You spit, I swig, big gulp bitch  
Hop, skip, flip, jump on the dick like  
Snake pit, I hiss, matrix glitching  
I want both pills tonight  
We click, he's bricked, hand on the stick  
I'm strict, you don't cum 'til I do  
Okay, I'm licked, take my pic  
Something you can jack off to (em ekil teW)

Wet like, wet like, wet like, wet like, wet like, wet like, wet like me  
Wet like, wet like, wet like, wet like, wet like, wet like (em ekil teW)  
Wet like, wet like, wet like, wet like, wet like, wet like, wet like me  
Wet like, wet like, wet like, wet like, wet like, wet like

Tie me up, I'm lazy, I want you to do the work  
I wanna feel you deep and dirty like your tongue is on my (Uh, uh)  
Slow, I push up in it  
Come a little closer, move your muscle  
Get a little harder, do me double  
I've got a thing for choking softly

Uh, I am so wet, I got boys lining down the block  
So wet, they wonder what's flowing through my body  
Come get back up (Uh), come take it off  
Cuff me up, baby, oh, don't you stop it when I'm done (em ekil teW)

Wet like, wet like, wet like, wet like, wet like, wet like, wet like me  
Wet like, wet like, wet like, wet like, wet like, wet like (em ekil teW)  
We-we-  
wet like, wet like, wet like, wet like, wet like, wet like, wet like me  
Wet like, wet like, wet like, wet like, wet like, wet like, wet like me (em  
ekil teW)

Wet T-shirt contest, I'm sweating  
Jackknife drive me, smack down, wrestling  
He's in me, demon possession  
Crucifix, big dicks and weapons  
With this eclipse, suck his blood like ticks  
Can't resist the slit, mountain mystic hick  
I love this shit, I bit it, I chew it

Uh, I am so wet, I got boys lining down the block  
So wet, they wonder what's flowing through my body (em ekil teW)

Wet like, wet like, wet like, wet like, wet like, wet like, wet like me  
Wet like, wet like, wet like, wet like, wet like, wet like (em ekil teW)
