

# Working Bitch

Ashnikko

I'm a working bitch  
Ain't got no time for dick  
You wish you could sway my attention  
I'm working, bitch  
Ain't got no time for dick  
Sure as fuck can't sway my attention

Too tired to entertain little boys  
I'm the boss of my business I should invoice  
One strike two, I'm self-employed  
Swear my blue vibrator brings me more joy  
If you wanna play second fiddle to my job  
Wanna be side-dick in a one-stop-shop  
Let me know  
Let me know

'Cause I do well for myself, nothing you do is extraordinary  
Taxing on my mental health and my last boyfriend was cautionary

I'm working, bitch  
Ain't got no time for dick  
You wish you could sway my attention  
I'm working, bitch  
Ain't got no time for dick  
Sure as fuck can't sway my attention

I love my, I love my, I love my, I love my  
I love my day job, fuck a blowjob, what's the point?  
It's all deja vu, they don't give me what I want  
Money, make some, makin' money better than the dick  
Pussy playdough, pussy like her pockets thick  
Now he look stressed, now he know I don't need him  
Mouth's open, baby bird, I'm not gonna feed him  
Yah, I'm big, I'm boss

I'm a working bitch  
Ain't got no time for dick  
You wish you could sway my attention  
I'm working, bitch  
Ain't got no time for dick  
Sure as fuck can't sway my attention

'Cause I do well for myself, nothing you do is extraordinary  
Taxing on my mental health and my last boyfriend was cautionary

I'm working, bitch  
Working, bitch  
Working, bitch

I'm a working, bitch  
Ain't got no time for dick  
You wish you could sway my attention  
I'm working, bitch  
Ain't got no time for dick  
Sure as fuck can't sway my attention

I'm working, bitch

Working bitch  
Working bitch  
I'm working, bitch  
Working bitch  
Work-working bitch  
I'm working bitch
