

Elisewin

Ashram

This is colourless day of my life
won't you sweep it away
There are fog and rain in your eyes
may I sweep you away

There is incredible cold in my life
won't you sweep it away
There are millions of pearls in your eyes
may I sweep you away

Elisewin

What is happiness, sadness, life
won't you sweep it away
Where are calm and shine of the sky
may it sweep us away

Elisewin
