

# I've Lost Myself

Ashram

Dreaming of my pain  
I'm like a rose on a thorn bush  
And I stay in the shade  
The desert can kill me

Dreaming of my way  
I'm like a rose on a thorn bush  
And I stay in the shade  
The desert can kill me

And I forget your name  
As I've lost myself  
The hole inside my soul

Dreaming of my pain  
I'm like a rose on a thorn bush  
And I stay in the shade  
The desert can kill me

And I forget your name  
As I've lost myself  
The hole inside my soul
