Indestructible

Ashton Irwin

(Hey)
(Ah)
(Ooh; You want another one?)

Like a monster layin' in the dark
Just cold-blood beater to a severed heart
No one's out there for all I could touch
Your mind is in the gutter, there's no heaven above

But don't ya run, run, run, run, run away
Come out of the darkness and into the day
Don't ya run, run, run, run, run away
Master the mantra, the force to lay (You're)

Indestructible
Heads are gonna roll
Indestructible
Heads are gonna roll

Your head in the past, you hit your lowest
You're not givin' up, you got to get up, you got to get up, you're
Empty inside, the chemical fire
Givin' your life, the edge of the knife every night, yeah

Run, run, run, run, run away
Come out of the darkness and into the day
Don't ya run, run, run, run, run away
Master the mantra, the force to lay (You're)

Indestructible
Heads are gonna roll
Indestructible
Heads are gonna roll

Indestructible
Heads are gonna roll

People don't ever believe it
Doesn't mean you couldn't feel it
Lookin' up into ceilin'
Trying, but you're barely dealin'
You're fallin' in love with the feelin'
Your misery made me a shield and
For people that couldn't be healin'
'Cause now you're the lonely one

Indestructible
Heads are gonna roll
Indestructible
Heads are gonna roll
Indestructible
Heads are gonna roll
Indestructible
Heads are gonna roll

Indestructible
Heads are gonna roll
