

# Skinny Skinny

Ashton Irwin

Hey, skinny skinny  
Don't you think about the future  
Hey, skinny skinny  
Too bad (Too bad)  
Hey, skinny skinny  
Stop your thinking 'bout tomorrow  
You'll never make it like that (Too bad)

My second face, my damn reflection  
We always meet when I'm defeated  
You tear me up all of the time  
My second face, don't wanna listen  
We always meet without permission

You tear me up all of the time

Hey, skinny skinny  
Don't you think about the future  
Hey, skinny skinny  
Too bad (Too bad)  
Hey, skinny skinny  
Stop your thinking 'bout tomorrow  
You'll never make it like that (Too bad)

(Ooh)  
I wanna eat, I wanna stay thin  
(Ooh)  
I wanna dance but I gotta stay in  
Hey, skinny skinny  
Don't you think about the future  
Hey, skinny skinny  
Too bad (Too bad)

I'm skin and bone, I'm made of nothing  
My secret pose, my secret ending  
You tear me up all of the time  
My tongue is tasteless, my heart is barren  
My fingers stretching into my larynx

You tear me up all of the time

Hey, skinny skinny  
Don't you think about the future  
Hey, skinny skinny  
Too bad (Too bad)  
Hey, skinny skinny  
Stop your thinking 'bout tomorrow  
You'll never make it like that (Too bad)

(Ooh)  
I wanna eat, I wanna stay thin  
(Ooh)  
I wanna dance but I gotta stay in  
Hey, skinny skinny  
Don't you think about the future  
Hey, skinny skinny  
Too bad, too bad

Too bad, bad, bad  
Too bad, too bad  
Too bad, bad, bad  
Too bad

Hey, skinny skinny  
Don't you think about the future  
Hey, skinny skinny  
Too bad (Too bad)  
Hey, skinny skinny  
Stop your thinking 'bout tomorrow  
You'll never make it like that (Too bad)

(Ooh)  
I wanna eat, I wanna stay thin  
(Ooh)  
I wanna dance but I gotta stay in  
Hey, skinny skinny  
Don't you think about the future  
Hey, skinny skinny  
Too bad, too bad

Too bad, bad, bad  
Too bad (Skinny skinny)  
Too bad (Skinny skinny)  
Too bad, bad, bad  
Too bad (Skinny skinny)  
Too bad (Skinny skinny)  
Too bad, bad, bad
