

# Wicked Habit

Ashton Irwin

The moments of the daylight I let slip away  
You're the other side of the moon that I chase  
The poison is addiction of you in my veins  
Come try me out, need your soul, take me home, oh-oh, oh

California sun beam radiating through me, reaching out for you  
Tell me that you love me, I'll give you all my money, and my li  
feblood too

Such a wicked habit  
And I just gotta have it, yeah  
Please don't wake me up until you're rushing through my veins  
I can't live without a little hit of you, hit of you

You're the only song that I'm thinking today  
Supersonic feelings take over my brain  
I love you like a coast that just won't go away  
Here and now, on repeat, round and round, oh-oh, oh

California sun beam radiating through me, reaching out for you  
Tell me that you love me, I'll give you all my money, and my li  
feblood too (Woo)

Such a wicked habit (such a wicked to me)  
And I just gotta have it, yeah (Just gotta, just gotta, just go  
tta)  
Please don't wake me up until you're rushing through my veins  
I can't live without a little hit of you, hit of you  
Such a wicked habit (Such a wicked habit)  
And I just gotta have it, yeah (I just gotta have it)  
Please don't wake me up until you're rushing through my veins (  
Oh)  
I can't live without a little hit of you, hit of you  
(Such a wicked habit)  
(Such a wicked habit)
