

Drunk

Asiahn

Baby
I been drinking since 5
I'm a little faded
No, no, no, I don't wanna go just yet
Fuck you, I'ma grown woman, you can't make me
You keep telling me I'm wasted
Why
Pour you up a lil shot, won't you come fuck with me, yeah
Sit your ass right here, won't you come
Suck on me, yeah
Wait, shit
Four hours earlier
