

# Messed Up

Asiahn

I'm calling all the girls to the dance floor  
It's time to show these niggas what it's hittin' for  
It don't matter if you're home or in the strip club  
Sit your baby down and tie them damn hands up  
Get dressed up

You got me on one  
Look like dinner's right on time  
I got a big appetite  
Dusse lemonade, had a few  
You know I want all the smoke with you  
I'ma put in all the work for you  
Time to see what that mouth do  
I'ma start it like

One cheek, two cheeks  
Then I'ma ride out  
Left one, right one  
Then I'ma slide down on you  
Eat it up, speed it up  
Drink it up right now  
Turn the lights out  
Don't you miss a drop now

I know you like it when I  
Drip, drip, drip, drip (Stop)  
You heard what I said, you betta hold out  
Hold that, hold that, don't come now  
Better hold it like a controller  
Roll it back, the baby I'll slow up  
What I say you betta hold out  
Yeah

You know I know just where to go  
To get you curling your toes  
Can't nobody get you wet like that  
When this ass roll on you like that  
You know who got a hold on you, this cat  
When this booty go like

One cheek, two cheeks  
Then I'ma ride out  
Left one, right one  
Then I'ma slide down on you  
Eat it up, speed it up  
Drink it up right now  
Turn the lights out  
Don't you miss a drop now  
Yeah

Do you mind if I just sing to you, yeah  
You ain't never had nobody  
Sing and lickin' down ya body  
Tryna live and grow with ma fi  
And it's all because you got me, yeah  
Oh, yeah

Fuck it, now I want your hands up  
Don't you touch it, don't you let up  
Let it drip down on me  
Let it rain, let it drown me, yeah  
I'ma do it like

One cheek, two cheeks  
Then I'ma ride out  
Left one, right one  
Then I'ma slide down on you  
Eat it up, speed it up  
Drink it up right now  
Turn the lights out  
Don't you miss a drop now

I'm calling all the girls to the dance floor  
It's time to show these niggas what it's hittin' for  
It don't matter if you're home or in the strip club  
Sit your baby down and tie them damn hands up  
You messed up
