

# WATCH ME

Asiahn

Watch me  
Move my body  
As I slowly  
Come down the pole  
Come on in  
Get a drink  
Sit on back  
While you watch this ass  
Ride up on your lap  
I'ma make it clap  
While you spend that cash baby  
Spend dat cash cash

You been eyeing me all night  
Tell me what you want  
Fighting it with all your might  
You ain't gotta front  
Just know that I  
I will make you say your mine  
Even if its only for tonight  
I can do anything you like  
Your deepest fantasies we can try  
Yeah yeah  
Make it go fast yeah  
Make her go splash yeah  
Spend yo last yeah  
Don't gotta ask yeah  
Gymnastics yeah  
You can grab it yeah  
Now

Watch me (oooh)  
Move my body (move my body babe)  
As I slowly  
Come down the pole (down the pole)  
Come on in  
Get a drink  
Sit on back (back yeah)  
While you watch this ass  
Ride up on your lap  
I'ma make it clap  
While you spend that cash baby  
Spend dat cash cash
