

WITCHU

Asiahn

I just wanna take a ride witchu
Close my eyes and slide witchu
To a place where I only I gotchu
Manifesting life witchu
Can't knock me down long as I'm witchu
No better feeling than the ones witchu
Wanna do it all witchu
Hold hands spend every night witchu
Flip some bands
And make it stack witchu
I ain't holding back witchu
You know that I will ride for you

That's just how I feel feel feel
That's how I know this Shit is real real
That's just how I feel feel feel
That's how I know this love is real
Real ohhh

Can't get no higher getting high witchu
We at the top no going down witchu
Let's both get rollies
Just get fly witchu
First class flights witchu
A One way get lost and hide witchu
Never return and start a tribe witchu
Time just gliding by witchu
The glisten in my eye is you
No star or sun is shining as bright as you
You bring the light witchu
I thank God Every Night I getchu
Real blessed yeah I'm alive witchu yeah
Real blessed I'm alive witchu yeah

That's just how I feel feel feel
That's how I know this Shit is real real
That's just how I feel feel feel
That's how I know this love is real ohhh
That's just how I feel oh oh oh yeah
I know this love is real ohhh
That's just how I feel oh oh oh
