## Asian Doll

Put you on some game then sis!  
Put you on some game then sis  
Put sis on some game!  
Fuck they talking about?

Game!  
Aye, what you need lil bitch?  
Aye, lemme put you on some game then sis  
I'm tryna warn ya, it's the same ol' shit  
Don't never settle, press the metal, we ain't stressing dick game  
My momma told me about a lame  
Don't build no nigga up, they want you cause your fame  
Know the game!  
Play your cards in different lanes  
Don't never settle, press the metal, we ain't stressing dick game

Game!  
He fine, but most these niggas goofy  
He be texting, acting stupid, asking about a movie  
You can't fool me, you just wanna swim in my jacuzzi  
I got standards, imma pretty bitch but tote a Uzi  
Make a nigga wish that I was on the tongue he chewing  
Cheat on me, that's so impossible, no feelings for em'  
Work a nigga like a slave, get on your knees, I'm mastah  
I dropped a rapper for a trapper, cause that money faster  
All that love don't mean a thing, I don't indulge in that  
You broke, competing with a bitch who ain't run up a sack  
Yeah they gossip, diamonds glossy when I smile and laugh  
Get some money, be a hundred, and ya diamonds last

Game!  
Aye, what you need lil bitch?  
Aye, lemme put you on some game then sis  
I'm tryna warn ya, it's the same ol' shit

Rule number one, cut a fuck nigga  
Treat him goofy, watch his homies wanna kick it withcha  
Take a picture in the restroom with his wife-beaters  
Post it on the gram and caption, "I'm a night creeper"  
Imma break a nigga heart, you blocked can't call my phone  
Bitches tryna intervene where they just don't belong  
I can read between the lines, you think I'm stupid, wrong  
Get some head before he fuck, so he can't tell it long  
And I hate that baby mama drama, I'm a victim  
I got some sisters that's so willingly to catch attempting  
You in my business, for a reason, stalking like a witness  
I'm so worried about my riches, guess I'm moving different

Game!
