

To get close to you, I'd jump right off the moon  
My heart turned cold it's blue, then other niggas through  
Right or wrong, ride or die beside  
You cry, I cry no lie  
Just call me baby, I feel you I'm so alive

I'm on my, I'm on my, I'm on my, I'm on my, I'm on my, I'm on m

All these bitches hate on me cause I'm with you I won't fold  
I don't care if they lock you up, I'm coming kicking doors  
Iced my wrist out like a pro, she just mad I'm who you chose

Back then they didn't want me, now I'm hot I got both homies  
Two doors with a Rollie face, I can't go back broke  
You are my rolling stone, wanna buy a home  
Just love me long

I'ma make a song, I'm Asian Doll
