

I used to sin so I went and got my money up  
I used to sin now I'm pulling up in foreign trucks  
I used to sin, for my homies I fucking bust  
I used to sin now I'm rocking shows in Japan  
I used to sin so I went and got my money up  
I used to sin now I'm pulling up in foreign trucks  
I used to sin, for my homies I fucking bust  
I used to sin now I'm rocking shows in Japan

I used to sin I keep that AK right up on my hip  
Don't trip, these bitches gon bust, we smoking goofies off the zip  
I used to play the back and watch my money fucking stack  
At seventeen was jugging hard I left some niggas mad  
I need my cash, I motivated this rap I illustrated  
I put some bitches on they feet they changed on me like Satan  
Ain't bothered by your rumors I be chilling with the stars  
Ain't bothered by no bitch, Asian Doll pussy foreign  
Can't hit me lick me down, my digits where you wanna taste  
I make him say his grace, It's a blessing I don't play  
Swear that they so fake I had to scene I get a play  
Now my life on HBO I'm flying out of state  
Before my homie died I told him I'ma be rich  
They switched on me they changed on me they put him in a ditch  
These niggas so fake these niggas so lame I shoot his fucking bitch  
My life ain't never over Asian Doll been the shit  
Yeah my momma told me "Girl one day you gone be a star!"  
I took that shit to heart and that's what got me this far  
Yeah why you love me now when you left me there to starve  
I came up by myself I run the gang don't need no charge  
Yeah this shit is easy, flip it whip it like I'm in the kitchen  
My bitch gone do the dishes  
While I'm serving yeah them pigeons  
So high, skipping class making all the wrong decisions  
I bought myself a Bentley I can brag, bitch I'm in it  
Yeah I'm only nineteen and I'm never going broke  
That money I'ma get it, I'ma chase it I don't choke  
I told my brother when I get rich I'm putting him on a boat  
Put some bands on your head call that shit interscope

I used to sin so I went and got my money up  
I used to sin now I'm pulling up in foreign trucks  
I used to sin, for my homies I fucking bust  
I used to sin now I'm rocking shows in Japan  
I used to sin so I went and got my money up  
I used to sin now I'm pulling up in foreign trucks  
I used to sin, for my homies I fucking bust  
I used to sin now I'm rocking shows in Japan
