

# Stank Walk

## Asian Doll

Pussy good, so I got that stank walk  
You the type be working for a nigga then he skrt off  
I'm not your ordinary bitch, I'm quick to knock a bitch off  
If she gonna shake it for someone, they'll hit a lic yeah  
Bad bitch, she from Texas with her cookie out  
You the type of bitch behind them pages, but not popping out  
I got what you need, but next to you he look like Mickey Mouse  
Fuck it, I'm the hottest, I might come out with a movie now

Left cheek, right cheek  
Booty making it rumble  
Last nigga tried to holla, he ain't scored, nigga fumbled  
It's a problem in this bitch? Then speak up  
Bitches be mumble  
How you tweak? Was acting gangster  
But be hiding and ducking  
On the gang, if I said it; then I said it, it's nothing  
I'mma stand behind my word, applying pressure, they ruffled  
I got Prada on my feet, I'll run up, pop out to scuffle  
I been winning since a younging, bitch that feeling is nothing  
In the hood with my cousins on some beef shit  
You ain't from the Row, we'll introduce you to some street shit  
Niggas keep sticks  
Bitches breaking other bitches main tricks  
On the news they said we dangerous  
He pull up in the Range quick

Love his head, it's sloppy toppey, he be giving knowledge  
Pop a perky on a Island
