Asian Dub Foundation

Stop the bleeding  
Stop the thinking  
Stop the bleeding

Sometimes it's like the world is speeding up  
And slowing down in time  
It's in reverse and I can't tell if I'm in front  
Or far behind  
Like a one eyed man in the land of the blind  
I ain't no king, I swim with anything  
What's the reason, your role is up for question  
May seem random, but don't abandon the force  
Of your own creation, the world's out there  
Hard to feel it  
The truth's out there  
Can't believe it  
Leave it!  
Don't think it ain't fair  
Just 'cause you can't see it  
Gotta pick myself up, gotta take my hand  
Out of my hands  
Stop the bleeding  
Stop the thinking  
Stop the bleeding  
Gotta turn it around  
Turn it around  
Turn it around

Stop the bleeding  
Stop the thinking  
Stop the bleeding

In a galaxy far far away called yesterday, there were prophecies  
Of a perfect world outta space  
Robots, servants, flying cars and shining surfaces  
Year 2033 so fast I didn't have a clue!  
When I was a child I remember thinking  
Mum and dad they knew everything  
When I grew up to be a man  
I'd know just as much as them!  
Yesterday's dead, it's dead and gone  
It's all about now, not about what did you do!

Gotta pick myself up, gotta take my hand  
Out of my hands, stop the bleeding stop the thinking  
Stop  
Gotta turn it around  
Turn it around  
Turn it around

Take my hand (Stop)  
Take my hand (Stop)  
Outta my hand (Stop)  
Outta my hand (Stop)

(Turn around)

Stop the bleeding  
Stop the thinking  
Stop the bleeding  
Stop the thinking

Stop!
