

Impii Hora

Asinhell

Beware of lads, hunting souvenirs with an edged axe
Watch your back, hairy beasts in large and brutal packs

Bloodlust, vile acts, ungodly hour
Evil, vices, darkest world

Beware of priests holding sanctity's funeral feast
Reversed exorcisms, black mass, and fiendish catechism

Bloodlust, vile acts, ungodly hour
Evil, vices, darkest world

Hidden guilty conscience in the veiling of the night
Concealed acts of cruelty, wrongdoings and spite

Beware of fires, burning for visions and dark desires
Avoid the man, feeding eyes in his moonlight den

Bloodlust, vile acts, ungodly hour
Evil, vices, darkest world

Hidden guilty conscience in the veiling of the night
Concealed acts of cruelty, wrongdoings and spite

Impii hora!
