

Inner Sancticide

Asinhell

Religious convincement, psychotic beliefs
Delusional mind to be relieved
Clandestine circle, the ritual begins
Cleanse the devotee, a sin for a sin

Inner sancticide, holy ghosts crucified, dark saints conspire
Inner sancticide, holy ghosts crucified, chant godless choir
Inner sancticide, holy ghosts crucified, a faith on the pyre

Satanic rogation, words like spears
Sacrilegious bliss, religion is fear
Kill the old saints now, the lot you spurn
A Christian past, a blasphemous turn

Inner sancticide, holy ghosts crucified, dark saints conspire
Inner sancticide, holy ghosts crucified, chant godless choir
Inner sancticide, holy ghosts crucified, a faith on the pyre

The laid-out disciple, extinguish the creed
Burning the crosses, deafening plead
Unholy gathering, a man exorcised
A new satanic existence epitomized

Inner sancticide, holy ghosts crucified, dark saints conspire
Inner sancticide, holy ghosts crucified, chant godless choir
Inner sancticide, holy ghosts crucified, a faith on the pyre
