

# The Ultimate Sin

Asinhell

Clear mind not answering, the outer world unreal  
Life in an incubus, clarity concealed  
Utter horror  
Blinding terror

The eye snatcher comes, obedience coerced  
The ring of fire burns, reality's next outcast  
Rip the eyes out  
Burning mind cloud

The crooked beaks peek out, the master crook returns  
Extinguished fire, another one burns  
Guttled eyeballs  
Devil's hatchlings

Deluded senses, insanity revealed  
Infamous hatcher is what you fear  
Disembodied  
Deep revulsion

Feed, feed the offspring  
With disposable fear  
Spawning monsters in abhorrent light  
Breed the ultimate sin  
Dig, deep in the sockets  
Kill the eyesight, all drear  
Drive the innocent into madness  
Induce the ultimate sin

Beclouded mind, when the sandlord returns  
Visions of the screams when it burns  
Cover your eyes  
Children's blindsight

Illusion takes its toll, perceptions in the mist  
Deviant loving, the end a bloody outrage  
Bloodstained eyes roll  
Sanded nightmares

Feed, feed the offspring  
With disposable fear  
Spawning monsters in abhorrent light  
Breed the ultimate sin  
Dig, deep in the sockets  
Kill the eyesight, all drear  
Drive the innocent into madness  
Induce the ultimate sin

Feed, feed the offspring  
With disposable fear  
Spawning monsters in abhorrent light  
Breed the ultimate sin  
Dig, deep in the sockets  
Kill the eyesight, all drear  
Drive the innocent into madness  
Induce the ultimate sin
