

All Due Respect

Asking Alexandria

Allow me your attention
Won't you lend me your ear for a moment
I know there's been a lot of tension
But I feel compelled to explain myself
I don't mean to offend you but you're out of your mind
If you think I give a fuck about your taking sides
At the end of the day when you break it down
I'm nothing like you
I'm nothing like you

I can fly
And you're gonna fall face down while
I inspire greatness
As long as I'm alive I'll fight
And you'll be stuck in the shadows of
The heights of my greatness

I've been hearing lots of whispers
Stories sold by a shadow of a memory
Pointing fingers from a distance
I've tried but I can't just ignore it
With all due respect yeah you're out of your mind
If you think I give a fuck about your reasons why
This ain't gonna end how you want it to
I'm nothing like you
I'm nothing like you

I can fly
And you're gonna fall face down while
I inspire greatness
As long as I'm alive I'll fight
And you'll be stuck in the shadows of
The heights of my greatness

I dedicate my life consumed in search for something more inside of me
Incessantly obsessively determined to define my legacy
I dedicate my life consumed in search for something more inside of me
Incessantly obsessively determined to define my legacy

I can fly
And you're gonna fall face down while
I inspire greatness
As long as I'm alive I'll fight
And you'll be stuck in the shadows of
The heights of my greatness

I can fly
And you're gonna fall face down while
I inspire greatness
So long as I'm alive I'll fight
And you'll be stuck in the shadows of
The heights of my greatness
