

# Never Gonna Learn

Asking Alexandria

How many times do I have to learn my lesson  
Before I learn my lesson, no  
Somebody help me, please tell me that I'm dreaming

I keep repeating my actions expecting different reactions  
But the same thing keeps on happening  
Somebody help me please tell me that I'm dreaming  
I miss when I blissful in ignorance

I thought we said we'd take our time  
Why do I always jump in blindly?  
It's like I'm trying to find  
Something to fill a hole inside me  
But I can't, but I can't, but I can't

Can't stand the cycle  
I'm stuck inside a cycle repeating myself over and over  
Somebody help me please tell me that I'm dreaming  
I'm tryna change or at least I keep on saying  
I'm trying to turn the page on my bullshit  
Somebody help me, please tell me that I'm dreaming  
I miss when I blissful in ignorance

I thought we said we'd take our time  
Why do I always jump in blindly?  
It's like I'm trying to find  
Something to fill a hole inside me

I keep learning my lesson  
Without learning my lesson  
Can't seem to learn my lesson  
I need to learn my lesson  
I keep learning my lesson  
Without learning my lesson  
Can't seem to learn my lesson  
I need to learn my lesson, oh I

I thought we said we'd take our time  
Why do I always jump in blindly?  
It's like I'm trying to find  
Something to fill a hole inside me  
But I can't, but I can't, but I can't
