

New Devil

Asking Alexandria

I gotta find a new devil
I killed the last one, now I don't know what to do with myself
I guess I gotta find a new devil
What in God's name is wrong with me? What the hell!

Just when I think I've got it figured out
I go and lose my mind again
Stuck on the edge of a revelation
Too scared to fall, and too afraid to fly
Tell me why

I am my own worst enemy
I feel it taking over me
I am my own worst enemy
Better the devil you know than the devil you don't
'Cause the one that's inside can hide
Right in front of you

I don't know what's come over me
Hooked on this, I can't restrain
I'm lying with the devil again
I want the hurt, I want the pain
I hear you when I'm alone
I feel you, strip me to the bone

I am my own worst enemy
I feel it taking over me
I am my own worst enemy
Better the devil you know than the devil you don't
'Cause the one that's inside can hide
Right in front of you

I am my own worst enemy
I feel it taking over me

I am my own worst enemy
I feel it taking over me
I am my own worst enemy
Better the devil you know than the devil you don't
'Cause the one that's inside can hide
Right in front of you
Right in front of you

I am my own worst enemy
I am my own worst enemy
I am my own worst enemy
I am my own worst enemy
