

# Nothing Left

## Asking Alexandria

I tried to let go and leave the past behind  
But I can't escape the memories, and broken lives  
I can't let go  
I can't, I'm in too deep  
Bury me

Every day, I get a little more lost  
And every day, it gets a little bit darker  
I don't know, I can't escape this feeling  
(In the belly of the beast)  
(In the belly of the—)  
Every day, I feel a little more alone  
And every day, I feel a little more broken  
Oh lord, I pray for some release

I tried to let go and leave the past behind  
But I can't escape the memories and broken lives  
I can't let go  
I can't, I'm in too deep  
Bury me

I close my eyes and try to numb the pain  
I'm suffocating every minute, every goddamn day  
I tried to believe you  
When you said that things would change  
I'm so close to the edge but I give it up  
Everything I say and do's never good enough  
Oh lord, I pray for some release

I tried to let go and leave the past behind  
But I can't escape the memories and broken lives  
I can't let go  
I can't, I'm in too deep  
Bury me  
I'm still fighting for a reason to try  
But I'm paranoid of dying and I wanna survive  
I cannot let go  
I cannot let go  
I'm in too deep

In too deep, tryna pay my debts  
Gone too far now, there's nothing left  
Sold my soul, tryna pay my debts  
Too far gone now, there's nothing left

Gone too deep, tryna pay my debts  
Gone too far now, there's nothing left  
Sold my soul, tryna pay my debts  
Too far gone now, there's nothing left

I tried to let go and leave the past behind  
But I can't escape the memories and broken lives  
I can't let go  
I can't, I'm in too deep  
Bury me  
I'm still fighting for a reason to try  
But I'm paranoid of dying and I wanna survive

I cannot let go  
Oh, I cannot let go

Gone too deep, tryna pay my debts  
Gone too far now, there's nothing left  
Sold my soul, tryna pay my debts  
Too far gone now, there's nothing left
