

Run Free

Asking Alexandria

This world's yours for the taking!
This world's yours for the taking!
This world's yours for the taking!
Run free!

Run free and wild, lose your mind, escape your
inhibitions.
Taste the wind, let your hair down, throw your hands
up.
Go! Go! Go! Let go forget the consequences
Go! Go! Go! Let go running free.

Open your heart, open your mind to a new world, to a new world.
Spread out your wings and learn to fly to a new
world, to a new world.

This world's yours for the taking!
This world's yours for the taking!
This world's yours for the taking!
Run free!

Run free and wild, lose your mind, this world's yours
for the taking.
Open wide, scream it loud "this is my life!".
Go, go, go, let go, forget what came before.
Go, go, go, let go running free.

Open your heart open your mind to a new world, to a new world.
Spread out your wings and learn to fly to a new
world, to a new world.

Close your eyes and pray for something better than
this world has to give!
Make it worth your time when you move on to
whatever the hell is next!
Know that you went in the end without a single
regret!
That you lived and loved and laughed and cried and
followed your dreams!

(You won't be alone in the end. You don't have to be
afraid, yeah!)

You won't be alone in the end.
You don't have to be afraid.
Run free and wild, let your heart soar with the eagles.
Run free and wild, let your love take over.

You won't be alone in the end...
...You don't have to be afraid...
