

# Someone, Somewhere

Asking Alexandria

(Even though I'm on my own)  
(I know I'm not alone)  
(Cause I know there's someone, somewhere)  
(Praying that I'll make it home)  
(So here's one from the heart)  
(My life right from the start)  
(I need a home sweet home)  
(To call my own)

It was you  
That told me I could do this  
You put the music in my heart  
How you sang with a band in Memphis  
It's hard just, to be strong  
Not knowing if, I've done you proud  
I like to imagine  
You smile when you hear my songs

Even though I'm on my own  
I know I'm not alone  
Cause I know there's someone, somewhere  
Praying that I make it home  
So here's one from the heart  
My life right from the start  
I need a home sweet home  
To call my own

A letter home  
And I know we don't really speak much  
We both know I'm not keen to  
But I think there's things I've left unsaid  
I'm okay, don't worry  
I wish I'd been a better kid  
I'm trying, to slow down

I'm sorry for letting you down

Even though I'm on my own  
I know I'm not alone  
Cause I know there's someone, somewhere  
Praying that I make it home  
So here's one from the heart  
My life right from the start  
I need a home sweet home  
To call my own

Yeah!

You know it's just, Rock and roll  
I know you're by my side, through it all  
My terror twin and I  
Let's take over the world

Even though I'm on my own  
I know I'm not alone  
Cause I know there's someone, somewhere  
Praying that I make it home

So here's one from the heart  
My life right from the start  
I need a home sweet home  
To call my own

Even though I'm on my own  
I know I'm not alone  
Cause I know there's someone, somewhere  
Praying that I make it home  
So here's one from the heart  
My life right from the start  
I need a home sweet home  
To call my own
