

Take Some Time

Asking Alexandria

Come with me
I can give you anything you want
Everything you've ever dreamed of
I can give you the world
Lean on in
Let me tell you that you're beautiful
The only one I see in the room
I wanna taste your skin

Take your time
I wanna cross some lines

I want you, you
Pull me in, I feel alive when I'm with
You, you
Can't deny there's something in the way that you
Move, move

Skin on skin
Body shaking, dripping ecstasy
Burning daylight underneath the sheets
Breathing out, breathing in
Take my life
Give me passage to a higher place
With a fruit that bares the sweetest taste
And let me stay there forever

Take your time
I wanna cross some lines

I want you, you
Pull me in, I feel alive when I'm with
You, you
Can't deny there's something in the way that you
Move, move

Hot sweat
Love drip
Heart beat
Body's shaking I want it to last forever
Lip bite
All night
This might
Be nirvana all I want is everything so
Take your time
I wanna cross some lines

I want you, you
Pull me in, I feel alive when I'm with
You, you
Can't deny there's something in the way that you
Move, move

Take your time I wanna cross some lines I want
Take your time I wanna cross some lines I want
You, you
