Things Could Be Different

Asking Alexandria

Never fucking good enough
Never fucking good enough
Never fucking good enough
Never fucking good enough

I don't wanna hear another fucking word about it
Counting down the moments 'til I can walk away

If I could turn back time and do it over
I'd hold on to what's mine
And never look at this road that I'm on
That I've been walking down for so long
I wish I'd known what I know now
Things could be different if I'd known how

I can't stand it
Can't somebody break this broken record?
Never fucking good enough
Never fucking good enough
'Cause I've tried everything
It still won't shut the fuck up
Never fucking good enough
Never fucking good enough

If I could turn back time and do it over
I'd hold on to what's mine
And never look at this road that I'm on
That I've been walking down for so long
I wish I'd known what I know now
Things could be different if I'd known how
If I'd known how

It's never fucking good enough
It's never fucking good enough
It's never fucking good enough
It's never fucking enough
Never fucking good enough

Let me leave this road that I'm on
That I've been walking down for so long
I wish I'd known what I know now
Things could be different if I'd known how

Things could be different
Things could be different
Things could be different
Things could be different
