

Chains

Aslan

Everything was in it's place
All wrapped up on the mantelpiece
And standing still
Silhouettes of many heroes
Face the wall and take their place in time

Something's creeping up inside
Of me, a place I used to hide
And it won't let go
Crying skies and rainbows maybe
Then again, I've heard that song before

Oh, what a waste
And time's still ticking away
I'm wrapped up in chains
Wrapped up in you

Now that all's been said and done
The pages turning one by one
The leaves were green but now they're gone
(Should I stay?)
Stay away

Oh, what a waste
And time's still ticking away
I'm wrapped up in chains
Wrapped up in you

Love will creep up on you
And tear you apart
Everything I've ever done
Everything I've ever seen
I need someone I can talk to
Wouldn't that be wonderful?
Wonderful

I'm wrapped up in chains
Wrapped up in you
I'm wrapped up in chains
(Wrapped up in you)

Now that all's been said and done
The pages turning one by one
The leaves were green but now they're gone
(Should I stay?)
Stay wrapped up in you?

I'm wrapped up in chains (should I stay?)
Wrapped up in you
I'm wrapped up in chains (should I stay?)
Wrapped up in you
I'm wrapped up in chains (should I stay?)

(Should I stay?)
Should I stay?
Should I stay?)
