

# Down on Me

Aslan

There are too many people  
In too small a place  
It's like everybody's waiting  
Just filling in their space  
Nowhere left to hide  
Nowhere left to run  
So I sit here in my corner  
And wave my tongue

Freedom is a special thing  
In the world today  
We don't know how lucky we really are  
If there's something to be said there is nothing you can say

So don't look down on me  
Ooooh, don't look down on me  
Down on me  
Ooooooh, so don't look down on me  
Down

If you think your life's a waste of time  
If you think your time's a waste of life  
Come over to this land, take a look around  
Is this a tragic situation  
Or a massive demonstration  
Where do we hide?

So please don't cry  
So please don't cry  
Because they're falling all around me  
And I wish I was not here  
Broken bodies sit around me  
And I wish  
And I wish that I was not here  
I was not here  
So don't look down on me

Ooooh, so don't look down on me  
And you, we both feel the same  
We're just looking for the answers  
To a different game  
Ooh, so don't look down on me

Ooooooh, don't look down on me  
Ooooooh

Oooh, so don't look down on me  
Down on me  
Ooooh, so don't, so don't look down on me  
(Nowhere left to run  
Nowhere left to hide  
So please don't)  
Don't look down on me  
Oooh, down on me  
Oooh, down on me  
Oooh, down on me  
Oooh, down on me
