

# This Is

Aslan

With our right hand over our heart  
We pledge to the red, white and blue  
The United States of America  
The land where dreams come true  
May the stars and stripes wave forever  
Saluting those who fought with pride  
Remembering those who gave their lives  
Let freedom ring

This is America  
This is America  
Home of the brave, home of the free  
This is America  
This is America  
This is America to me

America is the heart and soul  
Of what democracy means  
We believe that everyone  
Has the right to live safe and free  
We are one great nation under God  
United together for Peace  
For now and for eternity  
Let freedom sing

This is America  
This is America  
Home of the brave, home of the free  
This is America  
This is America  
This is America to me

Keep shining your light of hope Lady Liberty  
Shine your light for all the world to see

This is America  
This is America  
Home of the brave, home of the free  
This is America  
This is America  
This is America to me

This is America [3x]

This is America to Me
