

# This Time

Aslan

Drawing faces in a padded room  
With nothing but echoes of screams  
Am I insane, am I untamed?  
Is this the answer, or is it a dream?  
Feels like nothing,  
And it looks like you're nothing at all  
And we all go down this time

Has the world forgotten about me?  
Am I left here to suffer my pain?  
Call out to mother, coz there ain't no other  
To stop you from crying again  
This time, oh this time

Changing places where you once found love,  
Now everything's falling apart,  
Are you alone, too far from home?  
Are you just mindless, or are you a fool?  
Feels like nothing and it looks like nothing at all  
And we all go down this time

Has the world forgotten about me?  
Am I left here to suffer my pain?  
Call out to mother, coz there ain't no other  
To stop me from crying again

This time, this time I don't have no fear  
This time, everything I wanted was here  
Feels like your nothing  
Feels like nothing at all

Call out to mother  
Coz there ain't no other  
Can stop you from crying again  
This time, oh this time
