

Heart To Heart Talk

Asleep At The Wheel

(With LeeAnn Womack)

How foolish can you be
To be ruled by jealousy
Would you throw away
What we've planned
Why don't you ask your heart
Ask it if we should part
I need to tell my heart
Exactly where we stand

So let's have a heart to heart talk
Let's have an arm in arm walk
My darling let's try
To see eye to eye
And let's have a heart to heart talk

You smile, I smile with you
You cry, I cry with you
Cause you're the only one I've ever known
Don't going break my heart
Don't say that we must part
This world is lonely
When you leave me alone

So let's have a heart to heart talk
Let's have an arm in arm walk
My darling let's try
To see eye to eye
And let's have a heart to heart talk
