

House Of Blue Lights

Asleep At The Wheel

Lace up your boots and we'll truck on down
To a knocked out shack on the edge of town
There's an eight beat combo that just won't quit
Keep a-walking' 'til you see a blue light lit
Fall in there and we'll see some sights
Down at the house, the house, the house of blue lights

There's fryers, broilers, and Detroit barbecue ribs
But the treat of the treat
Is when they serve up those fine egg beats
You wanna spend the rest of your brights
Down at the house, the house of blue lights

We'll have a time and we'll some rug
While we dig those tunes like they should be dug
It's a real homecoming' for all those cats
Just boogie past the welcome mat
Fall in there and we'll see some sights
Down at the house, the house, the house of blue lights

Fall in there and we'll see some sights
Down at the house, the house, the house of blue lights

We'll have a time and we'll get some rug
