

Song Of The Wanderer (Where Shall I Go?)

Asleep At The Wheel

Where shall I go
When I go where I go
Since you have sent me away
And what shall I do
When I do what I do
You seem to haunt me all day

Now where can I find
What I found when I first met you
You were unkind
But I simply can't forget you
Where shall I go
When I go where I go
Since you have sent me away

Now where shall I go
When I go where I go
Since you have sent me away
And what can I do
When I do what I do
You seem to haunt me all day

Now where can I find
What I found when I first met you
You were unkind
But I simply can't forget you
Where shall I go
When I go where I go
Since you have sent me away

Now where can I find
What I found when I first met you
Were unkind
But I simply can't forget you
Where shall I go
When I go where I go
Since you have sent me away

Where shall I go
Oh, I just gonna know
Since you have sent me away
Where can I go, yeah
Where can I go, no
Since you have sent me away
