

# Time Changes Everything

## Asleep At The Wheel

There Was a time when I Thought of no other  
And we sang our own loves refrain  
And our hearts beat as one as we had our fun  
But time changes everything

And When you left me my poor heart was broken  
Our romance seemed all in vain  
The dark clouds are gone and there's blue skies again  
Yes time changes everything

The time has passed and I have forgotten you  
Mother Nature does wonderful things  
I guess it is true for me and for you  
'Cause time changes everything

Oh you can change the name of an old song  
Rearrange it and make it swing  
I thought nothing could stop me from loving you  
But time changes everything

So good luck to you and may God bless you  
I can't say we won't love again  
You have gone your way and I'll go mine  
'Cause time changes everything
