

## You're My Sugar

## Asleep At The Wheel

You're my sugar, you're my sugar  
You're my sugar but you're never sweet to me  
You're my sugar, you're my sugar  
You're my sugar, but you're never sweet to me

Now you are my one and only  
The only one I've kissed  
That price book in your pocket  
Ain't a grocery list

Well I took you to a nightclub  
Just to have a bang up time  
Well I would up washin' dishes  
'Cause you didn't have a dime  
Uh oh

You're my sugar, you're my sugar  
You're my sugar but you're never sweet to me.  
Naw, You're my sugar, you're my sugar  
You're my sugar, but you're never sweet to me

Listen.  
I bought you fancy collars  
Right from that catalog  
Yeah but now I can't quit barkin'  
'Cause the collars are for a dog

Well then how 'bout them neckties  
Did you like those ties I bought  
I did but how come you tied the neckties honey,  
Just like a hangman's knot  
Oh, I did not

You're my sugar, you're my sugar  
You're my sugar but you're never sweet to me  
Naw, You're my sugar, you're my sugar  
You're my sugar, but you're never sweet to me

Owww

That diamond ring I bought ya  
Honey it was nothing but the best  
But you only paid a dollar down  
And I had to pay the rest

Then what happened to that fur coat  
That I bought the other day  
Well that new fur coat you bought me  
Just got up and walked away

You're my sugar, you're my sugar  
You're my sugar but you're never sweet to me  
Naw, You're my sugar, you're my sugar,  
You're my sugar, but you're never sweet to me

I knitted you some golf socks  
With fancy heels and toes

I guess you'd call 'em golf socks  
'Cause they both had eighteen holes

Hey  
I promised you a pony  
You did  
And I promised you a yacht  
Aw, but a saddle and a paddle  
Is all I ever got

You're my sugar, you're my sugar  
You're my sugar but you're never sweet to me  
Naw, You're my sugar, you're my sugar  
You're my sugar, but you're never sweet to me

Now listen, I'm gettin' tired of fightin'  
So am I  
Been at it most my life  
Well the way we always get along  
We should be man and wife

You're my sugar, you're my sugar  
You're my sugar, And I am sweet on you.

I love you sugar  
Aww, I love you too sugar
