

Number one, we had fun, but it wasn't really serious cuz we were much too young.
number two felt more true with each line.
number three. chemistry. but inevitably wrong for me.
number four. he was too old for me. and i never loved so hard.
never hurt so bad.
never been such a fool for love.
and i never want so bad.
just to do it all again.
find one whos golden.
never let go when its love.
or you'll find yourself waiting alone.
and youll dream back the way that it was.
and wonder which was love.
which was love. number five.
hello goodbye.
he was sort of famous so it was a story for a while.
number six. why should color matter.
number seven. should be revving. but he wanted to get deep too fast.
number eight. vulnerable me. and i never loved so hard.
never hurt so bad.
never been such a fool for love.
and i never want so bad. just to do it all again.
find one who's golden.
never let go when it's love.
which was love.
and i never loved so hard.
never hurt so bad.
never been such a fool for love.
and i never want so bad.
just to do it all again. find one who's golden.
never let go when it's love.
or you'll just find yourself waiting alone.
and you'll dream back the way that it was.
and wonder which was love.
which was love.
