

## End At The Beginning

Asobi Seksu

All Day  
Jumping through the sprinklers  
Smoking while you run  
We started dying

I wave the candy on your shoulder  
Running just to run  
We're sliding down

All Day  
Running through the sprinklers  
Smoking while you run  
We're far from done

Just like carrying a torchlight  
Spending to be spent  
We came and went

Too much  
It's too much  
Again  
(x2)

I wave the candy on your shoulder  
Smoking while you run  
I'm far from done

When we land at the beginning  
Spending to be spent  
We came and went

Too much  
It's too much  
Again  
(x2)
