

Layers

Asobi Seksu

Tiny, on a rooftop
Icicles growing slowly
Near my window
Taking their time
Getting even with this world

Under layers, under layers
Under layers, under layers
Under layers, under layers
Under layers, under layers

Sandy shorelines
Sinking slightly
Beaten down by all the world
Shining pin drops
Raining brightly
Out of step with this world

Vocal refrain @ 2:25
Beat drops @ 2:43
