

## Me & Mary

Asobi Seksu

Call your name and spinning while I sigh  
Drown my eyes at the summer sky  
Say goodbye to the happy times  
Say goodbye  
Fail to keep the memories on my..sigh  
Love so much that I can't survive  
Love so much, feelin dead inside  
Dead inside

Me and Mary

La La La (8x)

Maybe we really had a simple time  
I can't describe, want to die inside  
I can't explain what I mean sometimes so good bye  
Spending all my time and then I decide  
I've asked too much, but I can't say why  
I've asked too much, but I can't say why if I liked
