

Stay

Asobi Seksu

If you say stay, then you know I'll stay
How can I wait when it feels that way?
Oh, I want to

If you say stay, then you know I'll say
"How can I wait when it feels that way?"
Oh, I want to

If you say stay, then you know I'll stay
How can I wait when it feels that way?
Oh, I want to
Tell me to leave
How I want to

If you say stay, then you know I'll stay
How can I wait when it feels that way?
How I want to
