

## Suzanne

Asobi Seksu

Suzanne was waiting at your doorway.  
But all she does is waste your time.  
And she looks just like my sister  
But she feels just like my man.

Suzanne  
Suzanne  
Suzanne  
Suzanne

And all the times you mean to tell her  
"the cats in here are overflown"  
She blows aside a four leaf clover  
It makes me feel I'm on my own.
