

## Beyond The Horizon

Asphyx

Beyond the horizon  
A frightened nightmare begins  
The ultimate agony  
Dimension of sin  
Gateway to Death  
Realm of darkness  
Empire of chaos  
Engulfed madness  
Wasteland of Terror  
Blasphemous Land  
Shadows in blood  
The slumbering damned  
Scream at the gallows  
As raven pick out their eyes  
Eternal torment  
Suffer in this paradise  
Absorbed in insanity  
Souls dwell in depths of pain  
Roaring with laughter  
As the dead die rattling again
