

# Overworld

Asrai

I cut myself / Too many times  
Broken words / Fragments on the floor  
The screaming starts / So much blood  
I had no chance / I was losing it

The world gasps for air  
A theatre of thoughts  
Love died in lies  
It starts to rain  
Raindrops on my skin  
I'm on fire  
Painted visions  
Where the end begins

Possessive  
Obsessive  
Hide in the dark night with me

Possessive  
Obsessive  
Am I Insane?

Night crawler  
Day dreamer  
Slowly dying  
In your sleep  
Dreamcatcher  
Dead of summer  
Soultaker  
For ever mine to keep
