

## Better Without You

## Assuming We Survive

Whoa-oa-oh-oh-oh  
Whoa-oa-oh-oh-oh  
Whoa-oa-oh-oh-oh  
Whoa-oa-oh-oh-oh  
Whoa-oa-oh-oh-oh  
Whoa-oa-oh-oh-oh

It's Friday night and I'm feeling low  
And you're the reason that I do so  
I'll keep on drinking 'til I'm comatose  
Or I pass out on the floor

You got me starin' out the window  
Eight hours later, you're a no show  
Where I'm from that's called a no go  
Guess I should have known

I'm sleepin' with one eye open  
Hopin' that you will make it home

Oh, you're always on my mind  
But right here, right now  
I'm better without you  
Oh, I doubt this for some time  
But right now, I know  
That I'm better on my own

Whoa-oa-oh-oh-oh  
Whoa-oa-oh-oh-oh  
Whoa-oa-oh-oh-oh  
Whoa-oa-oh-oh-oh

Remember when we used to lay in bed and talk the night away  
Today it feels like you have nothing left to say  
I packed my bags and collect my things  
Take what you want, but you can't have me  
I'm keeping my heart under lock and key  
Wherever I may roam!

I'm sleepin' with one eye open  
Hopin' that you will make it home

Oh, you're always on my mind  
But right here, right now  
I'm better without you  
Oh, I doubt this for some time  
But right now, I know  
That I'm better on my own

You and me are heading for a disaster  
One I cannot ignore (I cannot ignore)  
I'm moving forward, you're moving backwards  
I can't take, take, take anymore

So come on, come on  
You're always on my mind  
But... (haha)

Right here, right now  
I'm better without you!

Oh, you're always on my mind  
But right here, right now  
I'm better without you  
Oh, I doubt this for some time  
But right now, I know  
That I'm better on my own

Whoa-oa-oh-oh-oh  
Whoa-oa-oh-oh-oh  
Whoa-oa-oh-oh-oh  
(Right here right now, that I'm better on my own)  
Whoa-oa-oh-oh-oh  
Whoa-oa-oh-oh-oh  
Whoa-oa-oh-oh-oh  
Whoa-oa-oh-oh-oh  
(Right here right now, that I'm better on my own)
