

Catch 22

Assuming We Survive

I guess I am who I am, I'll be this way 'til the end
I stand for what I believe in, even if it's nothing
I guess I am who I am, I'll be this way 'til the end
I stand for what I believe in, even if it's nothing

This is the life I have chosen
And every step is a step unknown
And every path leads me further away from home
I know but I swallowed the poison
Now my body aches and my hands are numb
I can't remember where I went wrong, but I did

It's like running with scissors
It's like playing with fire
It's like a loaded gun
'Cause I like drinking with the boys
And I play my music loud
And I know that this does not make you too proud
Well baby I'm not what you're looking for

Doctor I need medication
'Cause my dizzy head brings the floor to face
I try to dodge or to deviate, but I can't
I'm not lacking motivation
Life is short and my fuse lit
If less is more then I take a hit, in the end

It's like running with scissors
It's like playing with fire
It's like a loaded gun
'Cause I like drinking with the boys
And I play my music loud
And I know that this does not make you too proud
Well baby I'm not what you're looking for

I guess I am who I am
I'll be this way 'til the end
I stand for what I believe in, even if it's nothing
I guess I am who I am
I'll be this way 'til the end
I stand for what I believe in, even if it's nothing
I stand for what I believe in, even if it's nothing!

It's like running with scissors
It's like playing with fire
It's like a loaded gun
'Cause I like drinking with the boys
And I play my music loud
And I know that this does not make you too proud
Well baby I'm not what you're looking for
Well baby I'm not what you're looking for
Well baby I'm not what you're looking for!
