

# Am I Too?

ASTN

When I get around you  
Am I too caught up?  
Told my friends about you  
Am I too caught up?  
Wrote this song about you  
Am I too caught up?  
I don't wanna sound to—  
I'm too caught up

When I get around you  
Am I too caught up?  
Told my friends about you  
Am I too caught up?  
Wrote this song about you  
Am I too caught up?  
I don't wanna sound to—  
I'm too caught up

Tell your boyfriend, baby  
Tell your boyfriend  
Wait. Somebody told me you ain't got a boyfriend  
But if you did, I would hate to disappoint him  
'Cause I'm so caught up making all the wrong choices

Last week  
You stumbled right out of a dream  
And made your way over to me  
Something I still can't believe

When I get around you  
Am I too caught up?  
Told my friends about you  
Am I too caught up?  
Wrote this song about you  
Am I too caught up?  
I don't wanna sound to—  
I'm too caught up

When I get around you  
Am I too caught up?  
Told my friends about you  
Am I too caught up?  
Wrote this song about you  
Am I too caught up?  
I don't wanna sound to—  
I'm too caught up

I, i  
Can't make up my mind  
Baby  
Am I too caught up  
Or doing it right, baby?  
I don't wanna make a scene  
But you got me to—  
I can hardly breathe
