

Butterflies

ASTN

You know those brown eyes in the sun make me weak
I still get butterflies every time we speak
Am I in my head? 'Cause it feels like I'm dreaming
I think we're in love, but baby, is that just me? Mmh

I know I might seem shy, but baby, I really need you
I'll tell you everything that's on my mind if I need to

So ooh, yeah
The thought of you makes me go crazy
Your smile is everything I'm craving
Our future's bright like That's So Raven
Stay here girl, you say

Rain on the rooftop of your car on repeat
Staring at you as moonlight burns through the streets
Wish this could last forever, baby don't leave me, mmh
'Cause I think we're in love, I'll wear my heart on my sleeve

I'll give you all I've got and try my hardest to keep you
You're everything I want, I swear it's too good to be true

So ooh, yeah
The thought of you makes me go crazy
Your smile is everything I'm craving
Our future's bright like That's So Raven
Stay here girl, you say

Ooh, ooh, baby
I know I'm in love
'Cause I get butterflies
Every time I see you girl
Ooh, ooh, baby
I know you're the one
'Cause I get, I get, I get, I get

So ooh, yeah
The thought of you makes me go crazy
Your smile is everything I'm craving
Our future's bright like That's So Raven
Stay here girl, you say

Ooh, ooh, baby
I know I'm in love
'Cause I get butterflies
Every time I see you girl
Ooh, ooh, baby
I know you're the one
'Cause I get
Stay here girl, you say
